Some tourney rules clarifications

Substitutions

- FIVB: 6 substitutions per set
- NFHS: 12 substitutions
- **AISA rule: 8 substitutions per set (4 “connected pairs”; see next page.)**

Libero

- FIVB: libero cannot serve; libero can sub for the server after the server is finished
- **2017 AISA tourney rule: libero cannot serve (FIVB).**

Net center line; net contact

- **FIVB rulebook, center line:**
 - a. 11.2.1 It is **permitted** to penetrate into the opponent’s space under the net, provided that this does not interfere with the opponent’s play.
 - b. 11.2.2.1 to touch the opponent’s court with a foot (feet) is permitted, provided that some part of the penetrating foot (feet) remains either in contact with or directly above the centre line.
- **Summary: stepping on center line is allowed; completely crossing it is a fault (FIVB).**
- **FIVB rulebook, net contact:**
 - a. 11.3.1 Contact with the net by a player between the antennae, during the action of playing the ball, **is a fault**. The action of playing the ball includes (among others) take-off, hit (or attempt), and landing.
- **2017 AISA tourney rule: no contact with net between antennae (FIVB).**

Coin toss

- Coin toss occurs **10 to 15 minutes prior to start of match.**
- Captains should be readily available for coin toss, and coaches should promptly submit lineups afterwards.
- Winning team either chooses to serve or receive or chooses side of court. Losing team takes remaining choice.
- Winning team warms up first. Be ready.

Warm-up time: 10 minutes (4-4-2) (AISA regulation)

- Coin toss-winning team gets full use of court first for 4 minutes for hitting practice while visiting team warms up on side.
- Other team then takes court for hitting practice for 4 minutes.
- Then, 2 minutes of serving warm-up for both teams simultaneously.

Officials

- Local Japanese-speaking Osaka Volleyball Association referees familiar with our level of international school play, having worked many local and 3 AISA tournaments for us.

AISA Volleyball Substitution Rules

- 8 substitutions per set.
- 4 “pairs” of substitutions: 2 players can substitute only for each other at the same position, and they can substitute twice.
- This allows all 4 bench players (or 3, not counting the libero) to enter the match, and for the starters to re-enter
