On behalf of everyone here at K.I.S. we would like to welcome the athletes, coaches and parents to Seoul Korea this weekend. We know everyone has been excited about this tournament and we hope that all participants have an enjoyable and exciting time. We expect to see some exciting games and in the end meet a lot of new friends. We are sure everyone has been working very hard for this tournament and will do their best both on and off the field.

An international tournament is a chance for athletes and coaches to test their skills against other competitors, but more importantly it is a chance for people from other nations to come together and develop long lasting relationships and enjoy a sport they all love.

A tournament like this does not happen without the support and help of many people. With this in mind we would like to thank everyone who has helped us with this tournament. Our P.T.O. for the food, The business office staff has been fantastic, with special thanks to our host families for opening up their homes. . And finally you the athletes for all of your hard work.

Good luck to all of you, play hard, have fun, and enjoy the weekend. We hope that soccer is not the main memory you take away from this weekend, but just a part of a greater memory of fun and new friends you have met here in Korea. If you need anything please do not hesitate to ask.

*Sincerely,
Bevo S. LaRue
KIS Athletic/Activities Director*
