The Sabers community welcomes you.

大阪へようこそ。 Welcome to Osaka.

On behalf of our two-school community, we welcome all players, coaches, and fans to Osaka and to Senri & Osaka International Schools for this year's WJAA high school girls junior varsity volleyball tournament. We look forward to some exciting, quality action. We know that the competition on the court will be intense and high level, and we also know that it will be friendly and fair.

Many of our students, from kindergarten to grade 12, will watch some of the matches. You players may not realize this, but you are role models to younger students in your schools and in ours; people observe you closely and look up to you. Please keep that in mind as you conduct yourselves on and off the court.

WJAA is a great avenue to bring people together. Camaraderie within your own team and with other teams will be an important part of the tournament. Please take advantage of this opportunity to develop positive relationships with new friends. We hope you enjoy your time in Osaka.

Many people – students, teachers, staff, parents – have worked hard to make this event successful. Please be sure to thank them if you have a chance.

Finally, good luck to all participants. Enjoy your competition, win or lose. We hope you leave SOIS with fond memories and new friends.

- Never yell negatively at a young player for any reason.
- Motivate with positive comments.
- Be reasonable in demands on players' time and energy.

**Western Japan Athletics Association
2017 High School Girls Junior Varsity Volleyball Championship Tournament**

- *kanji* brush stroke design by SIS calligraphy (書道 *shodou*) teacher Sugishita-sensei.
- 排球 (はいきゅう) *haikyuu* – a Japanese word for the sport of volleyball, literally meaning something like "pushing out a ball with hands".
- Sugishita-sensei attempted his design 50 times before being satisfied with the result: similar to an athlete who practices a skill over and over until he or she gets it right.
