*@Senri & Osaka International Schools, Osaka, Japan*

**Players, coaches, fans:**

*The Sabers welcome you to SOIS in the city of Minoh in northern Osaka. In its growing history, AISA has consistently produced high quality athletic tournaments, fine arts festivals, leadership conferences, and math mania competitions. We anticipate that the 2013 boys volleyball tournament will continue this strong tradition. It is an honor and pleasure to have quality teams from Japan and Korea together for a weekend of friendly, international competition. We in the Sabers community look forward to showing you some warm Osaka hospitality. Please just ask if we can help you in any way.*

*Good luck to all teams. Play hard, play well, play fair.*

# **The Sabers community welcomes you.**

**大阪へようこそ。 Welcome to Osaka.**

On behalf of our two-school community, we welcome all players, coaches, and fans to Osaka, Japan, and to Senri & Osaka International Schools for two days of volleyball at the 2013 Association of International Schools in Asia boys volleyball tournament. We look forward to some exciting, quality action. We know that the competition on the court will be intense and high level, but we know that it will also be friendly and fair.

In addition to the AISA founding members – Korea International School, Seoul International School, and Yokohama International School – we welcome the Bulldogs of Marist Brothers International School (MBIS), our local, friendly rivals from down the road in Kobe, who make their first appearance in an AISA boys event as a guest team (the MBIS girls placed second in last year's tournament). Welcome, all.

Our students, from kindergarten to grade 12, will watch the volleyball matches. You players may not realize this, but you are role models to younger students in your schools and in ours; people observe you closely and look up to you. Please keep that in mind as you conduct yourselves both on and off the court.

AISA is a great avenue to bring people together. Camaraderie within your team and with other teams will be an important part of the tournament. Please take advantage of this opportunity to develop positive relationships with new friends.

Please enjoy your time in Osaka. We hope you take some time to learn a little about Japan and the Kansai area. Your homestay family is a wonderful window to life in Japan. We hope you develop a relationship with your homestay family, a relationship that lasts longer than the tournament weekend.

Many people – students, teachers, staff, parents – have worked hard to make this event successful. Please be sure to thank them if you have a chance.

Finally, good luck to all participants. Enjoy your competition, win or lose. We hope you leave SOIS with fond memories and new friends.

## Tournament format, schedule, rules...

### Format

- Day 1: round-robin pool play – all 4 teams play each other (3 matches per team).
- Day 2: single-elimination – semifinals, consolation, championship (2 matches per team).
- All matches: best of 5 sets; fifth set to 15; rally scoring.

### Schedule

- Teams should be ready 30 minutes prior to the scheduled match time.
- If the preceding match finishes early, the next scheduled match may begin early. (The tournament director will communicate starting times with coaches.)
- Breaks are built into the schedule when teams play 2 matches in a row.

### Warm-up (4-4-2)

- The home team gets full use of the court first for 4 minutes for hitting practice while the visiting team warms up on the side.
- The visiting team then takes the court for hitting practice for 4 minutes while the home team warms up on the side.
- Both teams then get 2 minutes warm-up simultaneously to practice serving.

### Rules

- [FIVB 2013–16](#)
- 10-player roster limit
- Team listed first in schedule is the home team (scorebook purposes and warm-up order) and wears light-colored uniform.
- Net height, varsity boys: 2.43 m / 7' 11 5/8"
- All matches: best of 5 sets; fifth set to 15; rally scoring
- Osaka Volleyball Association referees (Japanese speakers; familiar with international school play)

### Round-robin tie breakers

- If 2 teams finish with identical 2–1 or 1–2 records in roundrobin play, then the head-to-head result breaks the tie.
- If 3 teams finish with identical 1–2 records, then these tie breakers will be used in order:
  - a. Sets differential among tied teams (total sets won minus total sets lost).
  - b. If 2 teams are still tied, then head-to-head.
  - c. If the 3 teams are still tied, then point differential among tied teams (total points scored minus total points allowed) – and then head-to-head if 2 teams are still tied.
  - d. If the 3 teams are still tied, then total points scored among tied teams – and then head-to-head if 2 teams are still tied.
  - e. If the 3 teams are still tied, then total points allowed among tied teams – and then head-to-head if 2 teams are still tied.
  - f. If the 3 teams are still tied, then a coin toss. (2 teams choose one side of the coin, 1 team chooses the other; order of choosing is alphabetical: Korea IS, Marist Brothers IS, Senri Osaka IS, Seoul IS. Then a second flip, as needed. *Yes, I just went into that much detail, and I almost hope it comes down to this just to justify the effort.*)

## Awards

- Traveling championship plaque.
- Keeper plaques for first, second and third place.
- Sportsmanship award (voted on by the coaches).
- All-tournament team (12 players): 4 players each from 1<sup>st</sup> and 2<sup>nd</sup> place teams, 2 players from 3<sup>rd</sup> and 4<sup>th</sup> place teams.

## Unsportsmanlike Behavior (from the AISA handbook)

- a. Unsportsmanlike behavior – coaches:** Tournament directors have the authority to remove any coach or spectator from an event for unsportsmanlike or inappropriate behavior. The coach or spectator must vacate the event premises (out of the gym) before play will resume and may not watch, may not coach, and may not return until the game/match is over.
- b. Unsportsmanlike behavior – players:** Tournament directors have the authority to remove any player from an event for unsportsmanlike or inappropriate behavior. The player must remain on the bench with the team (so as to be supervised) but may not participate.
- c. Consultations with officials, warning to offending coach/spectator/player:** The tournament director will consult carefully with officials and coaches and, in most cases, warn an offending coach, spectator, or player before an ejection.
