

BADMINTON

I. Rule Book

[B.W.F. - Badminton World Federation](#) (latest edition).

II. Ground Rules

- A. The tournament will be governed by the ground rules, which are instituted by the host school.
- B. Each school fields one boys' team and one girls' team. (Should the host school require an additional entry to balance the competition, the host school may invite a guest school, or invite an APAC school to enter a second team. If a second team is entered from an APAC school and a single round robin draw is utilized, the two teams from the same school must play each other in the first round.)
- C. Players must be ranked according to ability for singles and doubles #1 and #2. Number #1 ranking being the top player / pair. Line-ups assigning players to events will be given to the Host School three weeks prior to the tournament. Positions will be finalized at the Wednesday night coaches meeting. After this time - no player can change position.
(APRIL 2015)
- D. The #1 ranked players from each school will play each other; the #2 ranked players will play each other in the round robin. Once a player or doubles team has been assigned a ranking, he/she cannot change ranking during the tournament.
- E. No official umpires or scorers will be used. Players will be responsible for their own line calls and scoring. If a major dispute occurs during a match, which cannot be resolved by the players on-court, then the match can be halted and the players can bring the matter to the attention of their coaches, and then to the tournament referee; in extreme conditions an official or impartial coach can be assigned to referee a match—at the discretion of the tournament official/referee. (APRIL 2013)
- F. Once a match has been called or has reached its scheduled start time, warm-up time will be restricted to 5 minutes. A 10-minute delay in starting a match once the match has been called will result in a forfeit.
- G. An injured player may receive 5 minutes of treatment if required. After this time the match is forfeit.
- H. If players are injured and need to be replaced, the replacement can only come from the Mixed Doubles #2. The match is recorded as legitimate score and not a forfeit. The replaced player is out for the rest of the day. (APRIL 2015)
- I. Coaches will be allowed to consult with their players between sets for up to one minute each time. Coaches will not be allowed on the courts for consultation.
- J. APAC will not allow video review, in any sport, for officiating purposes. (APRIL 2013)
- K. That scheduled games may be moved forward at the discretion of the host tournament director (shotgun format)—for the overall good of the tournament.
