Comments:

- *Weather: cool but sunny much of the day; cloudy at times; tiny bit of rain near end, but it stopped immediately upon the host AD's command.*
- *Clean play almost entirely. Some occasional, somewhat rough but not egregious "jockeying for position" at times.*
- *With 3 draws and 19 matches decided by 2 goals or fewer, there was parity among the teams.*
- *The host Sabers won the A division against a very, very skillful CA team. Very nice final match.*
- *Most improved team: MBIS Bulldogs – who finished in last place in both A and B divisions in 2016. A division 4th and B division champions in 2017. Give those coaches a raise!*
- *Special welcome to Coach Oliver Wellman and the Kosmos FC for their first Sabers Invitational futsal tourney.*
- *Golden Boot: There was some questioning of the accuracy of the goal count. We double-checked the referee scorecards and we think we got the count correct. But it's possible there was an error somehow. We apologize for any errors; if any, they were unintentional.*
