

SABERS TENNIS 2015

MCP, EJK, NIS, SOIS

Friday–Saturday, 11–12 September

*EJK plays at SOIS on Friday, then at CA on Saturday.
MCP plays at CA on Friday, then at SOIS on Saturday.
NIS plays at SOIS both days.*

- 1. Team members:** girls and boys, 4 players each – singles 1, singles 2, doubles. *(If a team brings more players, we can try to fit in matches for them, but due to court limitations, this might not be possible.)*
- 2. Player categories:** Singles players will not play on doubles teams; doubles players will not play as singles players. This is in line with the WJAA regulations and it helps with court scheduling. *(There is flexibility with this for any extra matches played.)*
- 3. Schedule format:** As much as possible, all teams play each other in each category, with the exception of EJK and MCP, who will not play each other.
- 4. Scoring:** Pro sets to **6**, no ad scoring, tie break at 6-6, 10-point tie breaker (first to 6 points, win by 2) *Slightly shorter matches to help get in all matches.*
- 5. Warm-ups:** 10-minute warm-up to start the day; 5-minute warm-up before matches.
- 6. Shotgun schedule:** Matches are numbered. Players are expected to be ready for their matches at the appropriate time. For example, if 4 courts are available, the first 4 matches will be assigned court numbers. Players in match #5 must be ready when the first court opens up and those in match #6 must be ready when the second court opens up. *We'll need to keep things moving swiftly to fit in all matches.*
- 7. Balls, scoring:** We'll have fresh balls available. No need to report scores.
- 8. Awards:** No championship round or trophy or medals – playing for the love of the game.
