

SABERS TENNIS 2014

EJK, NIS, SOIS

Friday–Saturday, 19–20 October

- 1. Team members:**
 - EJ King girls and boys: 4 players each – singles 1, singles 2, doubles
 - NIS girls and boys: 5 players each – singles 1, singles 2, doubles, mixed doubles
 - SOIS girls and boys: 5 players each – singles 1, singles 2, doubles, mixed doubles
- 2. Player categories:** Singles players will not play on doubles teams; doubles players will not play as singles players. This is in line with the WJAA tournament regulations and it helps with court scheduling. *There might be some flexibility in this as long as coaches agree and courts are available.*
- 3. Round-robin format:** All teams play each other in each category **twice** over the 2 days. (Only SOIS and NIS will play mixed doubles – 3 times.)
- 4. Scoring:** 8-game pro sets, no ad scoring. Tie breaker at 8 games all; first to 7 points.
- 5. Warm-ups:** 10-minute warm-up to start the day; 5-minute warm-up before matches.
- 6. Shotgun schedule:** Matches are numbered. Players are expected to be ready for their matches at the appropriate time. For example, if 4 courts are available, the first 4 matches will be assigned court numbers. Players in match #5 must be ready when the first court opens up and those in match #6 must be ready when the second court opens up. *With only 4 teams and fewer players, there might not be so much rest time between a player's match and his/her next one; please keep this in mind.*
- 7. Balls, scores:** Players should pick up 3 balls from the score table before a match, and then return the balls after the match and report the score. Please be prompt.
- 8. Awards:** No championship round or trophy or medals – playing for the love of the game.
